MENTORS' NOTE

Good morning everyone,

If you're reading this, you're already doing something that thousands of CLAT aspirants never do—you've shown up today. That might sound like a small thing, but over the next few months you'll realise that success in CLAT is rarely decided by one brilliant mock or one 12-hour study session. It's decided by the hundreds of ordinary days where you choose to sit down and study even when you don't feel like it.

The entire CLAT Community team is rooting for you. Whenever you're stuck, ask doubts, discuss questions, and make use of the people around you. You don't have to prepare alone. We hope today's material helps you take one more step towards your dream.

Now stop reading this note and get to work. Your future self will thank you for the effort you put in today.

All the best.

clat community

Dear Students,

We are excited to bring back the Daily Analytical Reasoning Sectional Tests as part of CLAT Community's commitment to making quality preparation accessible to every aspirant.

The best part? You will not have to pay a single rupee to access these resources.

Starting tomorrow, 15th July, we will be uploading a fresh Quantitative Techniques Sectional Test and an Analytical Reasoning Sectional Test every single day. These tests are designed to help you build consistency, improve your speed and accuracy, and stay exam-ready throughout your preparation.

If you have any doubts relating to the tests or would like free mentorship based on your performance, simply reach out to us on our Discord server. Our mentors will be happy to guide you. If you require any additional assistance, our contact details are provided below, and you are welcome to get in touch with us at any time.

If you'd like to explore all our free resources, courses, mock tests, study material, and much more, visit our website. We are constantly adding new content to help you prepare smarter.

CLAT is unpredictable. Your preparation shouldn't be.

Your dream law school is waiting for you, and we'll help you get there.
